

Combinatorial Mathematics Society of Australasia

Support for students to attend the 5ICC

The CMSA has a limited amount of funding available to support students who wish to attend the 5ICC conference and present a talk, and who reside outside the region in which the conference is being held.

The total amount of funding available may be changed by CMSA Council from year to year.

This support (together with the CMSA prize for best student talk) is designed to encourage active participation at the ACCMCC/ICC conferences by students at Honours, Masters or PhD level. Applicants must be currently enrolled or, in the case of PhD students, must have submitted their PhD no more than 3 months before the starting date of the conference.

Supervisors, please note: The CMSA has a limited amount of funding available for student travel support, and would like to prioritise funding for students who may not otherwise be able to attend the conference. Funding from your grants or your school/department should be used as a first option to fund travel costs for students. Students should only apply for CMSA funds when they would otherwise be out of pocket.

In 2017, students who apply for funding will be awarded an amount which depends on the number of applications received, up to a maximum of:

- AUD \$200 for students resident in the following regions of Australia: Qld, NSW, SA, Tas and ACT,
- AUD \$400 for students resident in Western Australia, in the Northern Territory, in New Zealand, or in a developing country.

Due date:

Applications must be submitted by the deadline of TWO MONTHS before the start of the conference: that is, by **Wednesday 4th October 2017**.

Preference may be given to early applications.

Decisions made by the CMSA Council regarding funding are final.

Successful applicants will be reimbursed during the conference, in a manner to be determined by CMSA Council and the conference organisers.

Application process:

Students wishing to apply for support should follow these steps:

1. Fill in the application form and ask your supervisor to fill in their section.
2. Submit the application form (following the instructions at the end of the form).

You will be informed of the result of your application by Monday 16 October 2017. Note that earlybird registration closes on Tuesday 31 October.

**** DON'T FORGET **** that you will also need to:

- 1 Register for the conference, via the conference webpage.
- 2 Submit an abstract to the conference, following the instructions on the conference webpage.

Combinatorial Mathematics Society of Australasia

Application form: Support for students to attend 5ICC

4 - 9 December 2017, Monash University

Personal Details (Please Print)

Surname: _____ Title: _____

Other names: _____

Department: _____

University: _____

Current position (e.g., Honours student/Masters student/PhD student in 1st/2nd/3rd/4th year):

E-Mail address (Please Print CLEARLY!): _____

Postal address: _____

Supervisor's name: _____

Supervisor's email address: _____

Your proposed conference talk title: _____

Your proposed conference talk abstract:

(Attach a separate page if necessary.)

Amount requested (please tick one):

An amount to be determined by CMSA Council, depending on the number of applications received, up to a maximum of:

AUD \$200 []	<i>For students in the following regions of Australia: Qld, NSW, SA, Tas and ACT</i>
AUD \$400 []	<i>For students resident in Western Australia, in the Northern Territory, in New Zealand, or in a developing country</i>

Students resident in Victoria should not apply.

Signature of Applicant: _____ Date: _____

Supervisors, please note: the CMSA has a limited amount of funding available for student travel support, and would like to prioritise funding for students who may not otherwise be able to attend the conference. Funding from your grants or your school/department should be used as a first option to fund travel costs for students. Students should only apply for CMSA funds when they would otherwise be out of pocket.

Supervisor's statement:

I certify that this student does not have funding to fully cover their registration, accommodation and flights, and that without CMSA Student Support the student will be personally out of pocket by the requested amount.

Signature of Supervisor: _____ Date: _____

Application procedure:

1. Scan and email the completed form as a PDF file to Kerri Morgan, kerri.morgan@monash.edu
2. All applications must be received at least TWO MONTHS before the start of the conferences, that is, by:

Wednesday 4 October, 2017

Preference may be given to early applications.
